Policy Statement

The Woodstock Police Service Board (the "Board") acknowledges the critical role of criminal intelligence in both investigative and preventative policing. This policy ensures that these matters are managed with the highest level of professionalism and diligence, following the procedures established by the Chief of Police (the "Chief") as directed by this policy.

Policy Application

1. It is the policy of the Board with respect to criminal intelligence that the Chief shall:
 - a. establish priorities and procedures for criminal intelligence, including strategic and tactical intelligence;

- b. promote the use of criminal intelligence analysis by supervisors to identify areas or issues requiring directed patrol, targeted enforcement, problem-oriented policing initiatives or community-based crime prevention initiatives; and
- c. ensure that members have the knowledge, skills and abilities to perform this function and the necessary tools and equipment.
